Members of the Board of Education,

Please review the attached 2025-26 contract renewal for Innovation Learning for before and after school care for students PK (Maple) - 6th grade as well as summer enrichment for students K-6. The District has been partners with Innovation Learning since 2018 and has no concerns with the care they provide.

The before and after school program will go out to bid during the 2025-2026 school year.

Please contact me with any questions or concerns.

Respectfully,

Denise Harwood
Executive Director of PK-6
