

QuickFacts

307 Windows Devices not supporting Windows 11

Microsoft Ends Support for Windows 10, Oct 2025

2000 Year the Maple paging system was installed. 15 years past end of life.

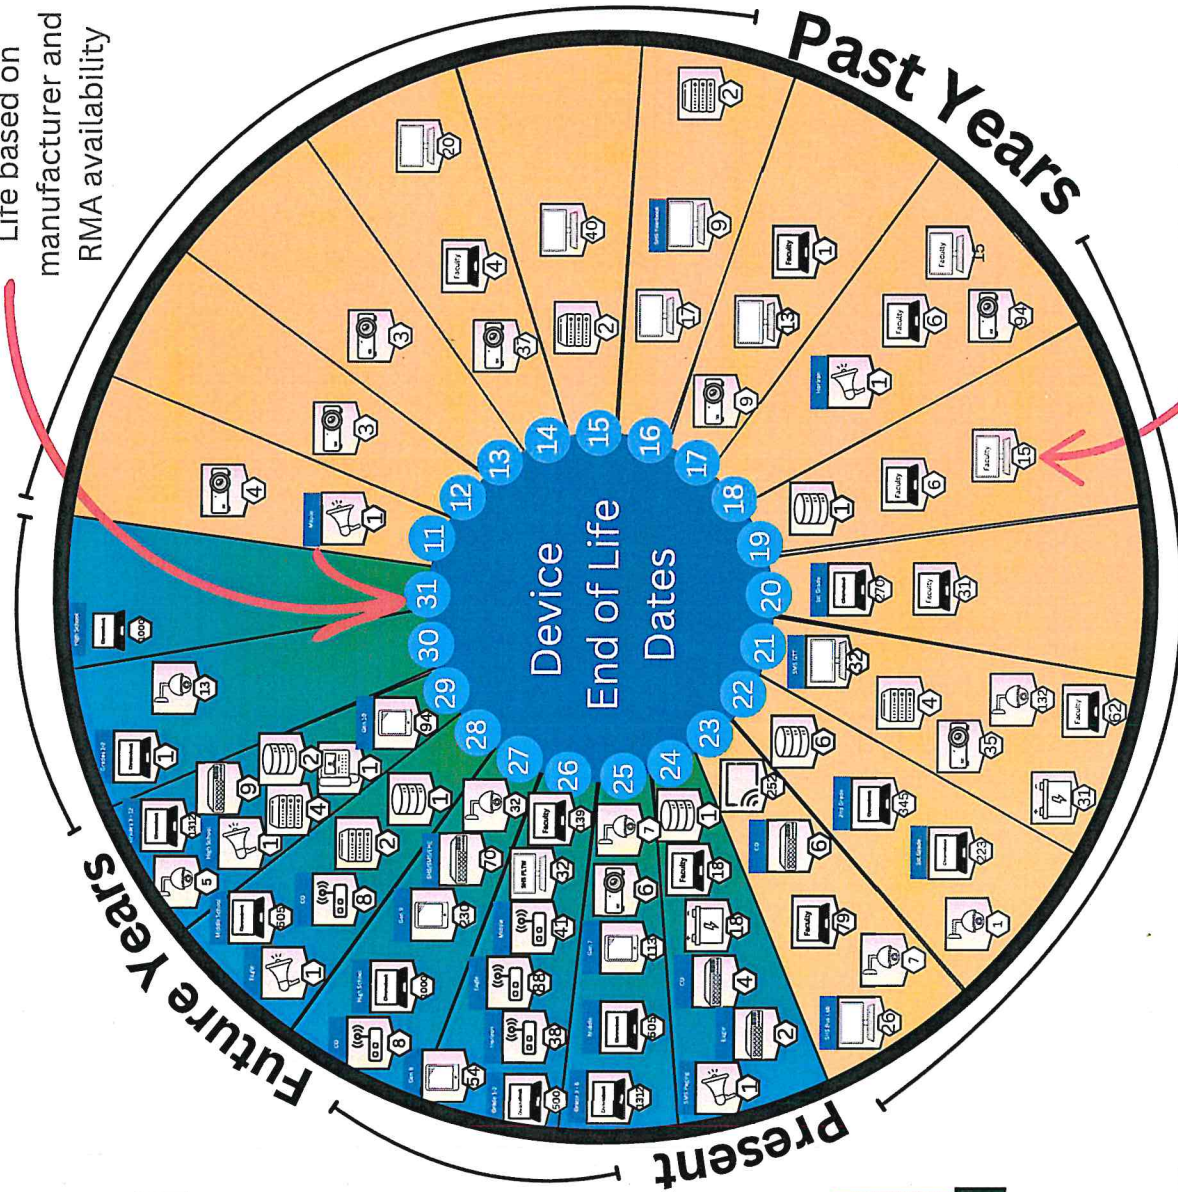

4 Lifespan of a student Chromebook

184 Projectors older than 7 Years
149 Projectors older than 10 Years

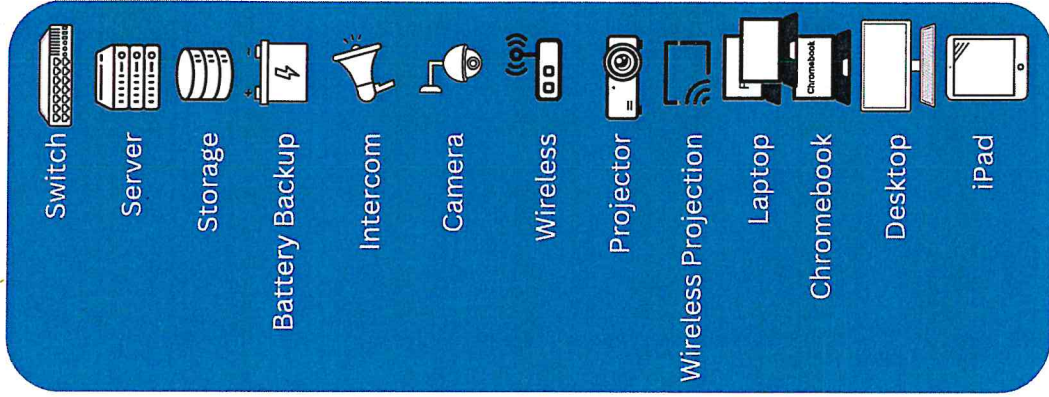

The most common trouble tickets are projector related

246 Number of laptops older than 4 years
200 New laptops being deployed to teachers this year

The year a device is considered End-Of-Life based on manufacturer and RMA availability

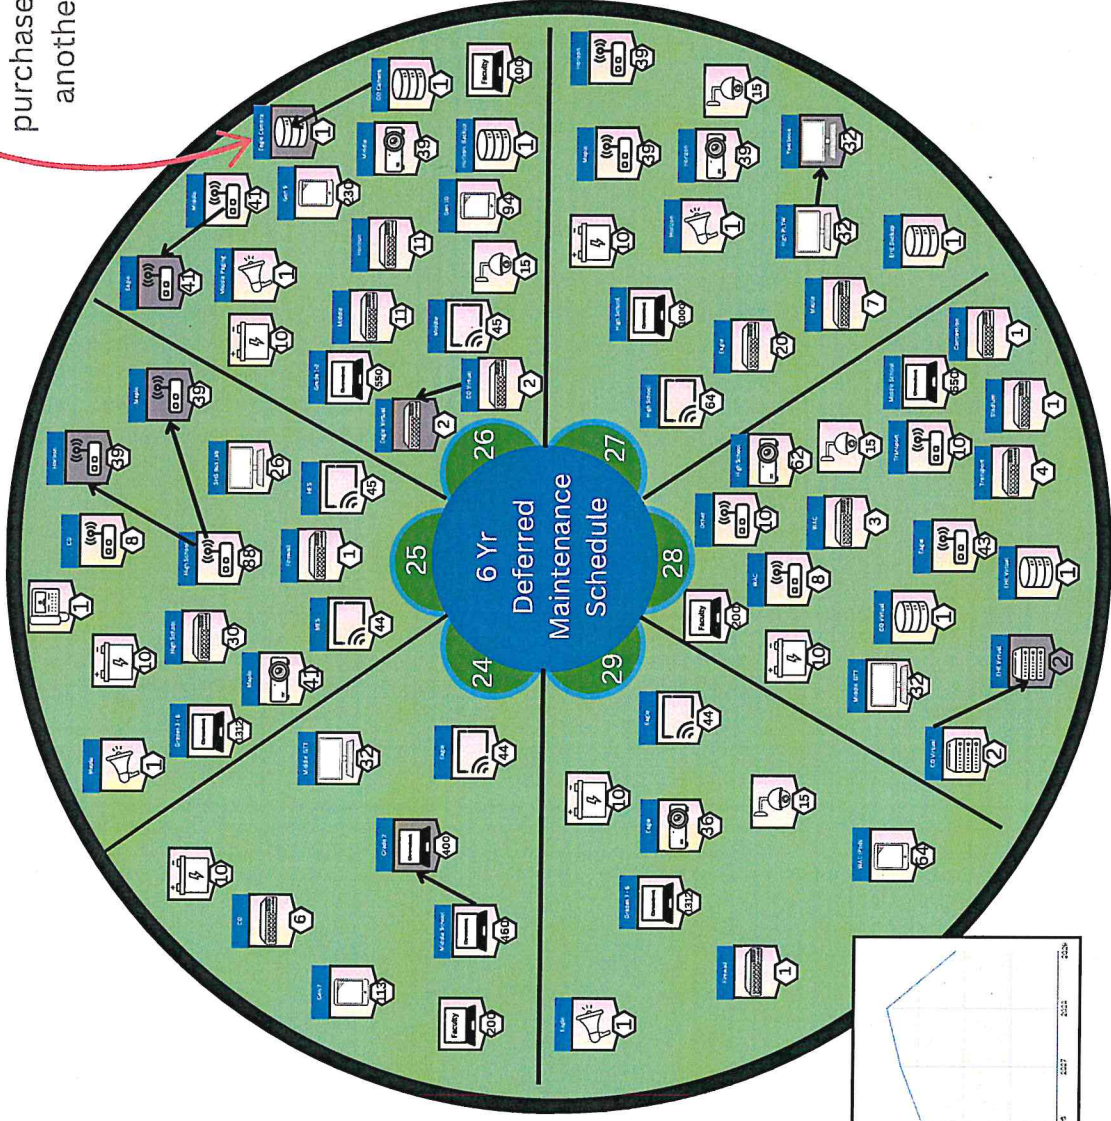

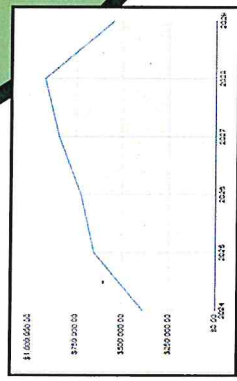

Number Indicates the number of devices
