

Dear School Board,

I cannot thank you enough for listening, seeing the need & bringing back assistant principals full time to all buildings. Taylor has been an amazing addition to Horizon B I feel truly blessed to have her here! Please don't think for a moment it has lessened my load - it has helped my inspiration to accomplish all I am wanting to at Horizon. Bringing in Taylor has given me extra hands to focus more on PBIS, ^{Kagan} & data!!
you made my day!

thanks

Thank You Truly,

Mrs. Kristi Mellon
