Date Issued: February 19th, 2025

Deadline for Submission: Tuesday, March 11th 2025, 5:00 PM

Project Overview

The Smithville R-VII School District is seeking qualified contractors to provide snow removal services for our facilities located at:

Maple Elementary Campus
600 Maple Avenue
Smithville, MO 64089

Eagle Heights Elementary Campus
18801 Eagle Parkway
Smithville, MO 64089

**Smithville School District
Main Campus**
645 S. Commercial
Smithville, MO 64089

Scope of Work

Snow Removal: Clearing of all snow from parking lots, driveways, walkways, and entrances to ensure safe access for employees, students, customers, and emergency services.

Ice Management: Application of de-icing materials as needed to prevent ice formation.

Service Times: Must be available 24/7 during snow events with priority service within specified time to be negotiated of the onset of snowfall.

Equipment: Contractors must provide all necessary equipment, including plows, snow blowers, and de-icing materials.

Qualifications

Interested contractors must provide:

Proof of Experience: At least 3 years of experience in snow removal services, including references from previous clients.

Insurance: Proof of liability insurance, workers' compensation, and any other relevant insurance coverage.

Licensing: All necessary local, state, or federal licenses required to perform the work.

Safety Record: Documentation of safety training and a record free of major safety violations.

Bid Requirements

Pricing: Provide a detailed pricing structure including:

- Per event pricing based on inches of snowfall
- Per campus pricing based upon a snow event

- Total campus pricing based upon a snow event
- Annual Retainage Fee Amount with structure negotiable with selected provider
- Annual retainage Fee with structure negotiable with selected provider
- Additional charges for de-icing or special services

Service Plan: A detailed plan on how you will manage snow events, including response times, equipment deployment, and staff allocation. Any alternative/innovative plans/pricing/retainage fees will be considered.

References: Contact information for at least three references from similar projects.

Submission Details

Please submit your qualifications and bid proposal in a sealed envelope marked "Snow Removal Services Bid" to:
