Re: University of Missouri - Kansas City (UMKC) Dual Credit Agreement  
Date: April 16, 2025

---

Members of the Board of Education,

We are excited about the opportunity to continue offering dual-credit classes from the University of Missouri - Kansas City.

Continuing the dual credit program with UMKC is expected to have a positive impact on our students and the district. Access to college-level coursework can enhance student achievement, increase college readiness, and potentially reduce higher education costs for our students.

This agreement would extend from 2025 to 2028.

**Recommendation:** The recommendation is that the Board of Education approve the UMKC Dual Credit agreement.
