Re: Levy Transfer and Bond Informational Mailings

Date: February 19, 2025

Members of the Board of Education,

Over the last several campaign initiatives by the District, the Board has approved the development of an informational communication campaign. Over the last several weeks, we have been in contact with companies about providing this service on behalf of the district. We currently have information from one organization but are waiting for the second organization to respond. Once we have all of the information, we will share it with the Board.

Please know the cost of an informational campaign could range from \$4,000-\$15,000.
