Re: CMAR Interviews

The Board of Education will interview the finalists whom the administration reviewed. We recommend interviewing the finalists for the two projects. Each construction manager has responded to the initial RFQ and RFP processes and participated in the interview process with administrators last Thursday. We had a strong field of responders, and we have a great group to discuss their final proposals with you. A short interview will follow a 20-minute presentation. Please know that predetermined questions will be provided to ask each construction manager.

The first finalist will begin at 4:00 PM in the Board Room. The others will start in 30 minute increments.
