To our SSD Board members,
I want to thank each of you for your decision to reinstate full time Assistant Principals in all buildings. Having a full time Assistant Principal has already made a significant positive impact at SMS. It is such a relief for myself and our staff to have a partner in leadership. I could write paragraphs outlining the positive differences this decision has made. Our

school year has started amazingly and I come to school everyday with a smile. Overall, your decision confirms your commitment to providing the best education possible for our students, and for this I am grateful.

Thank you Again,
